

College Financing Plan

The College Financing Plan is a resource tool to help you better understand your educational costs and the financial aid that is available to meet those costs. This form was created by the Department of Education (ED) and is available to help prospective students compare the cost of attendance (COA) and aid offers from multiple institutions in order to make an informed decision about where to attend school.

ED has provided [a reference guide](#) which contains a summary of each section on your College Financing Plan.

Please contact the Financial Aid office at financialaid@ameritech.edu for your personalized College Financing Plan.
