

Ameritech Annual Security Report

A security report is published and distributed annually by Ameritech in compliance with The Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act and Drug Free Campus/Drug Free Workplace legislation.

It contains crime and arrest statistics as well as information about campus policies and practices intended to promote crime awareness, campus safety and security. By October 1 of every year, all current students and employees are sent an email message providing them with the link to this report and notification that the current edition of the Annual Security Report has been posted on the Ameritech website. All new hires, as part of their onboarding process, are provided access to the report and are required to acknowledge that they have read the aforementioned documents. Current or prospective students and employees may obtain a copy of this report from Ameritech's Human Resources Office at the Draper Campus in Suite 100.

The Annual report is available for download below:
